

Society of Hydrologists and Meteorologists-Nepal (SOHAM-Nepal)
Mountain EVO Research Programme
(2014-2017)

Participation/presentation in meeting, workshop and conference

S.N.	Date of meeting/ workshop/ conference	Title of the meeting/workshop/conference	Title of presentation/discussion	Name of Participants	Role in M. EVO	Venue
1	30 Nov-04 Dec 2013	Pre visit of research area	Introduction of M. EVO research program to local stakeholder	Wouter Buytaert Gordon Young Jagat Bhusal Deepak Paudel Keshav Sharma Suman Kumar Regmi Janak Nayava	Principal Investigator Guest expert Investigator Investigator Investigator Representative, DHM Chief, Monitoring committee	Jomsom, Kagbeni, Muktinath villages of Mustang
2	21- 22 Jan, 2014	Mountain EVO Kick off meeting	Nepal's case study: Mountain EVO- Nepal	Jagat K. Bhusal Deepak Paudel Keshav P. Sharma	Investigator	Imperial college, London, UK
3	7- 11 Apr, 2014	ESPA Field Visit and Situation Analysis Meeting		Deepak Paudel	Investigator	University of Central Asia, Bishkek and Naryn, Kyrgyzstan
4	3-30 Sept, 2014	'Mountain Environmental Virtual Observatories Meeting'		Santosh Regmi Prajua Gurung	Researcher	Public Administration and Policy Group, Wageningen University, The Netherland and

						Imperial College, London, UK
5	22- 23 Sept, 2014	Mountain Environmental Virtual Observatories Meeting - Lima		Jagat Kumar Bhusal	Investigator	CONDESAN, Peru
6	12- 14 Jan, 2015	International conference on climate change innovation and resilience for sustainable livelihood	Analyzing the potential of ecosystem services management to alleviate poverty in the Upper Mustang Region, Nepal	Praju Gurung http://climdev15.org/agenda/d1_1530_1545b.html	Researcher	Organized by: The Small Earth Nepal Kathmandu, Nepal
7	15-16 Feb, 2015	Sixth International Seminar on 'Small Scale Irrigation Systems: Challenges to Sustainable Livelihood'	'Socio-economic impacts due to climate scenarios in Mustang-Nepal'	Santosh Regmi Praju Gurung https://fmistnepal.files.wordpress.com/2015/12/sixth-fmis-seminar-proceedings.pdf page 366	Researcher	Farmer Managed Irrigation System Promotion Trust, Kathmandu, Nepal
8	1-11 Sept, 2015	'Mountain Environmental Virtual Observatories Workshop'		P. S. Chapagain Santosh Regmi Praju Gurung	S. Researcher Researcher	University of Birmingham and Imperial College London, UK
9	24 Dec, 2015	National Symposium on Hydrology and Meteorology	'Mountain Environmental Virtual Observatories: Challenges and Opportunities'	P. S. Chapagain Santosh Regmi Praju Gurung http://soham.org.np/wp-content/uploads/2015/12/Activities-and-Achievements-of-Mountain-Environmental-	S. Researcher Researcher	Society of Hydrologists and Meteorologists (SOHAM) Nepal, Kathmandu

				Virtual-Observatory.pdf		
10	9– 10 Mar, 2016	Building Impact and Partnerships in South Asia- New Delhi		Jagat Kumar Bhusal P.S. Chapagain Jivan Gyawali	Investigator Senior researcher Stakeholder (District Planning Officer Mustang)	ESPA
11	29- 31 Mar, 2016	The 7th National Conference on Science and Technology: Science, Technology and Innovation for Nepal Graduation to Developing Country Status	Water Security and Ecosystem Services in Mustang: Relevancy of Environmental Virtual Observatory (Presentation title - Mainstreaming the citizen science in water security and ecosystem services through environmental virtual observatories (Mountain-EVO) : A case study, Mustang, Nepal)	Jagat Bhusal http://www.nast.gov.np/new/uploaded/Abstract%20Final-Complete.pdf See in page No: 167	Investigator	Organized by: Nepal Academy of Science and Technology, Government of Nepal Kathmandu, Nepal
12	10-16 Apr, 2016	Ecosystem Services for Poverty Alleviation (ESPA) Summer School		Santosh Regmi http://www.espa.ac.uk/news-events/espa-news/2016-04/76651	Researcher	New Lanark, Scotland, United Kingdom
